Dear Participant,

An active member who becomes ineligible and meets the following requirements may provide for his continued eligibility for benefits coverage by making timely contributions on his account at the current premium rate.

- Must be actively seeking employment in the Sheet Metal industry demonstrated by remaining registered on the hiring hall out of work list
- And by not turning down more than three referrals from the hiring hall.

Effective July 1, 2016 the Trustees have increased the self-pay rate under the Welfare Plan from \$400 per month to \$600 per month. You may self-pay for coverage up to 12 months as long as you remain eligible to do so.

If you are currently paying self-pay rates you will get new coupons in the mail before the end of the month and the new rate will take effect with your July payment.

Respectfully,

The Board of Trustees
