July 1, 2017

Dear Office Employee participant,

This is a notice to all Office Employees that our COBRA rates have changed for this period. This does not mean that you have lost coverage. We have to notify you by law when the COBRA rates change. These changes take effect every July 1.

Federal Law requires that a participant and or his dependent that have lost coverage due to certain qualifying events be allowed to self -pay for continued coverage under his/her Welfare Plan through the Consolidated Omnibus Budget Reconciliation Act (COBRA). COBRA rates are calculated by the Plan Consultant based on claims experience from the previous plan year and a percentage of administrative cost.

The rates have been calculated and will take effect on July 1, 2017. Because the Plan's claims experience was lower during the last period the rates have been decreased.

If you are currently paying COBRA premiums you will receive new coupons prior to the end of the week for your July payment. If you have already made your payment then a credit will be applied to your August premium.
